RE: April Quarterly Report (1/1/02-3/31/02)
Friends of Senator Carl Levin
C00088484

Dear Ms. Kelly:

I am writing in response to your letter regarding Friends of Senator Carl Levin's (The Committee) 2002 April Quarterly Report.

You itemized several contributions which appear to exceed the limits set forth in the Act. The Committee believes that all of the contributions itemized by you are permissible. Due to data entry and conversion errors, the Committee inadvertently reported that General Election contributions were instead contributions for the Primary Election. Specifically:

- Eugene Lang: His contribution was reported erroneously, and should have been reported as \$500 for the Primary Election and \$500 for the General Election. Please see the attached amendment to the Quarterly Report, which correctly reports this contribution.
- Lazar Finker: His contribution of 1/10/02 should have been attributed to the General Election. Please see the attached amendment to the Quarterly Report, which correctly reports this contribution.
- Harry Newton: His contribution was erroneously reported, and should have been reported as \$750 for the Primary and \$250 for the General Election. Please see the attached amendment to the Quarterly Report, which correctly reports these contributions.
- Northrop Employees PAC (C00088591): The committee believes this to be a qualified multicandidate committee, permitted to contribute \$5,000 per election to federal candidate committees. The \$1,000 contribution reported on the April Quarterly Report would, therefore, be permissible.
